### Fishbowl Discussion #3: Transformational Energy Technology

This panel will discuss focus on how nuclear power, internet of things, and clean power will develop and address the rapidly changing energy needs around the world.

Moderator: Jakki Mohr, Regent Professor, University of Montana

Panelist: Masato Nakamura, Director, International Corporate Affairs,  
Panasonic

John Hopkins, CEO, NuScale Energy

Lee Spangler, Ph.D., Montana State University

Jin Taek Chung, Ph.D., Dean, Korea University

14:30 – 15:00

30 min

### NewEdge: Discussion

What have you heard so far? NVC, particular challenge

15:00 – 17:30

2.5 hrs

### Interactive Multi-National Relationship Building Activities // Free Time

Outdoor (weather permitting) and possibly sheltered indoor group activities to facilitate building ties between the international leaders.

Leaders may choose to rest or have informal side gatherings at the Stock Farm Club recreational area or at the cabins.

Activity Options (subject to change based on weather conditions):

- Hiking to Beautiful Lake Como and Brewery
- Tour, Tasting and Relaxing at Bitterroot River Brewery
- Wagon Ride and Tour of Stock Farm Club
- Jetlag Recovery (Resting at your lodging or at Club)
- Informal leadership side meetings

17:30-21:00

### Innovation Journey: International Progressive Dinner

The progressive dinner is a highlight of our Mansfield Leadership Forums where foreign leaders take on the role of host, introducing their customs, cuisine and hospitality. This is their opportunity to discuss bilateral relations and opportunities with their North American counterparts.

North American leaders will be broken up into 3 multi-disciplinary groups of 30 participants and enjoy a medley of Asian cuisines, including a three-course dinner, each course in a different house.

Then, all hosts and groups will congregate at the final house for a local beer and wine tasting and an additional Southern Hemisphere dessert.

Japan House

Moderator: Matthew Olson, Mansfield Center  
Welcome: Masahiro Yamaguchi, Associate Executive Vice President,  
Tohoku University  
Presentation: Kenji Ushimaru, President, Infra Innovations

Korea House

Moderator: Florence Lowe-Lee, President, GABI  
Welcome: TBD  
Presentation: Younkyyoo Kim, Ph.D., Director, Center for  
Energy Governance & Security, Hanyang University

China House

Moderator: David Hamon, Senior Fellow, Center for Strategic and  
Budgetary Assessment  
Welcome: Frank Jannuzi, President, Mansfield Foundation  
Presentation: Laura Stone, Director, Office of Chinese and Mongolian  
Affairs, US State Department
